| Widex TV Play 2 Connect your Widex Allure aids to the new Widex TV Play 2 and enjoy seamless, high-quality streaming. Don't worry about obsolescence, Widex TV Play 2 is designed to work with future Widex hearing aid platforms using LE Audio. Access the TV Play 2 stream with an RC-DEX remote control or via the Allure app on your smartphone. With the smartphone app you can also balance TV volume with ambient sounds or conversation. Enabling you to choose what you want to hear. | | 2 YEARS | £295 |
| Widex RC-Dex RC-DEX is a compact and user-friendly remote control that permits volume changes and program switching with verbal or tone cues to confirm your selection. Stylish and user-friendly, it is discreet in use as you won't need to touch your hearing aids to adjust them. The small design will fit on a keyring and a lock switch prevents accidental activation. | | 2 YEARS | £125 |

Our recommendations are based exclusively on clients' personal needs and circumstances. Prices include a hearing test and product consultation, hearing aid fitting, lifetime aftercare and two years supply of batteries.

Purchase with confidence; we offer a 60 day, no quibble money back guarantee.
